

Personal Information

YOUSSEF AASSEM
IOS MOBILE DEVELOPER

Hello ! My name is Youssef AASSEM. I have one year of experience working in iOS mobile development. I am currently working as a iOS developer at Teal Technology Services. I am certified iOS Developer from IBM. I have professional knowledge of development in some basic iOS Frameworks, and I am trying to enhance my knowledge day by day. Looking for new interesting challenges, mainly in Casablanca, but I'm open also to international opportunities.
